Width:

3.500 inches

Thickness:

0.032 inches

Length:

6.000 inches

Attachment Method:

Hole

Basic Shape Style:

Square

Marking Designation:

Legend

Color:

White inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
