Attachment Method:

Hole

End Application:

Valve assembly, motor actuated butterfly shutoff

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Color:

Aluminum inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
