Width:

12.750 inches

Thickness:

0.032 inches

Length:

18.250 inches

Attachment Method:

Hole

Design Shape:

Square

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529e0
