Width:

4.000 inches

Thickness:

4.000 inches

Length:

6.250 inches

Attachment Method:

Hole

End Application:

2360-01-061-2445

Basic Shape Style:

Rectangular

Inscription:

Tank combat improved performance m1 ipm1 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
