Width:

1.350 inches

Thickness:

0.026 inches

Length:

1.970 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend 1st side

Inscription:

Partial legend rear compressor drive turbine engine model no. C1 no. Serial no. Code ident & part no. Pratt &whitney aircraft group governm

1st side

Material:

Steel

Material Specification:

Aisi 302 assn standard 1st material response or aisi 304 assn standard 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
