Width Across Flats:
6.270 inches
Thickness:
0.187 inches
Basic Shape Style:
Octagonal
Special Features:
Rs connections tb3 k3
Material:
Plastic
Material Specification:
Mil-p-18177, type gee military specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A528w0
Mil-std (military Standard):
Mil-p-18177 spec.
