Width:

1.300 inches

Thickness:

0.032 inches

Length:

3.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

1st inscription: rdu optical alignment fixture; 2nd inscription: 96214assy2358703- () msn; 3rd inscription: part of ard lru test set 1st side

Special Features:

Material is photosensitive aluminum sheet

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
