Width:

1.560 inches

Thickness:

0.030 inches

Length:

2.180 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Fuel control unit; model no.; serial no.; parts list; less issues 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Ams 4003 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
