Width:

1.000 inches

Thickness:

0.125 inches

Length:

4.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

1st inscription: caution; 2nd inscription: power off before disconnect 1st side

Color:

Yellow, federal standard 595, 23655 inscription background

Material:

Aluminum alloy

Material Specification:

6061, t6 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
