Width:

4.620 inches

Thickness:

0.028 inches

Length:

7.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Inscription:

Body, van truck, expansible, 17ft, m32a1 1st side

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
