Width:

1.000 inches

Thickness:

0.031 inches

Length:

3.125 inches

Attachment Method:

Adhesive

End Application:

Electronic countermeasure pod an/alq-184

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Long version; an/alq-18 (v) 1 to convert see to 1283-2alq-184-2-1 fsn--- f09603-82-c-4081 g134009-11 49956 1st side

Features Provided:

Pressure sensitive adhesive tape

Material:

Aluminum alloy

Surface Treatment:

Varnish

Surface Treatment Specification:

Mil-v-173 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-v-173 spec.
