Width:

0.810 inches

Thickness:

0.031 inches

Length:

1.620 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Inscription:

Z-alc On303500-1 no. Xxxxx 1st side

Color:

Black, lusterless and black, federal standard 595, 27038 1st side inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061, t6 federal specification single material response

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
