Width:

2.000 inches

Thickness:

0.003 inches

Length:

3.000 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

"partial legend"test set, electrical circuit, guided missile launcher: an/tsm-158; ser no: ---; pn: 13195336; nsn: 4935-01-119-3460; des act: 18876; cii: 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
