Width:

24.000 inches

Thickness:

0.032 inches

Length:

20.000 inches

Design Shape:

Rectangle

Color:

Black, dull

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529e0
