Width:

12.700 inches

Thickness:

0.200 inches

Length:

69.850 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Ivg impulse unit 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Surface Treatment:

Varnish

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
