**Width:**

2.000 inches

**Thickness:**

0.003 inches

**Length:**

2.170 inches

**Attachment Method:**

Adhesive

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Heat exchanger hydraulic oil 1st side

**Features Provided:**

Heat sensitive adhesive

**Color:**

Natural border

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
