Width:

2.850 inches

Thickness:

0.032 inches

Length:

7.350 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

"partial legend"tie-down data dimensions are sym. About centerline of trailer provide support blocks between trailer and deck as shown * (4)

1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, h12 federal specification 1st material response or qq-a-250/2, alloy 3003, h14 federal specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
