Width:

3.000 inches

Thickness:

0.030 inches

Length:

4.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Adapter, endlift mk 156 mod o capaci type 4000 lbs pn-5166882 serial--- naval sea systems command 1st side

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
