Width:

1.812 inches

Thickness:

0.020 inches

Length:

3.000 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend test set, ad (lru) p/o test set, fire and flight, air data subsystem, m142 1st side

Features Provided:

Observation facility

Color:

Natural and black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h32 federal specification single material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
