Width:

4.000 inches

Thickness:

0.003 inches

Length:

4.000 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Warning two man lift required.

Features Provided:

Reflective surface and removeable protective backing and pressure sensitive adhesive tape

Color:

White, federal standard 595, 37875 inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Specification Data:

81349-mil-p-19834 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
