Width:

0.960 inches

Thickness:

0.032 inches

Length:

2.820 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/concave top

Marking Designation:

Legend 1st side

Inscription:

1st inscription: open; 2nd inscription: closed 1st side

Special Features:

Two screw mounting holes 2.500 in. Apart, 0.101 in. Dia

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Fsc Application Data:

Valve, butterfly s/o, fscm 59364, p/n 104924, nsn 2995003252746, acft. Ec-135h/p/k, rc-135t, c/nkc/kc-135e/r

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
