Width:

3.250 inches

Thickness:

0.020 inches

Length:

9.180 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

M.L.G. Cylinder-hyd. Actuating menasco manufacturing company burbank california manufactured for lockheed aircraft corp. Burbank
california se"partial legend" 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
