Width:

3.500 inches

Thickness:

0.032 inches

Length:

6.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

"partial legend" warrenty information nomenclature: roller, towed, smooth drum, vibratory specification: mil-r-52499c, type 1 warranty: 15 mon 1st side

Color:

Clear inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h32 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
