Width:

4.500 inches

Thickness:

0.032 inches

Length:

6.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

"partial legend" roller, towed, smooth drum, vib u. S. Army ser. No.---mfd by: mfr 27401 model sm-54 ser. No.--- part no. 08000295

registratio 1st side

Color:

Black and silver inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h32 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
