**Width:**

4.500 inches

**Thickness:**

0.032 inches

**Length:**

6.000 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

"partial legend" roller, towed, smooth drum, vib u. S. Army ser. No.---mfd by: mfr 27401 model sm-54 ser. No.--- part no. 08000295  
registratio 1st side

**Color:**

Black and silver inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/8, alloy 5052, h32 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
