Width:

1.060 inches

Thickness:

0.003 inches

Length:

1.800 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Features Provided:

Pressure sensitive adhesive tape

Special Features:

At 0.03 in. All corners rounded at 0.09 r

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
