Width:

1.310 inches

Thickness:

0.030 inches

Length:

3.620 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Power plant assembly stand 1st side

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
