Width:

1.375 inches

Thickness:

0.125 inches

Length:

3.406 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Features Provided:

Observation facility

Special Features:

Indicator, fluid level, constant speed drive, f-15 a/c

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
