Width:

19.920 inches

Thickness:

0.030 inches

Length:

6.010 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Special Features:

Letters 18pts condensed block; 11holes, pattern matches electrical panel p/n 2075-0024-01; c5b acft

Color:

Black inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
