Width:

2.030 inches

Thickness:

0.003 inches

Length:

3.030 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Distribution box assembly; part no---; nsn---; serial no---; contr---; mfr---; u.S. Army amccom

Features Provided:

Reflective surface and pressure sensitive adhesive tape and removeable protective backing

Color:

White, luminous inscription

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
