Width:

2.380 inches

Thickness:

0.025 inches

Length:

4.120 inches

Attachment Method:

Hole

End Application:

3431-01-079-8439

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend rating nema class 1 ma . Ocv 100 v99 lts cc0/cv34 duty cycle 100 auxil.Power volts 120 ph.1 hz 60 kva 40 pf. 1 engine ld7004
1st side

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
