Width:

2.500 inches

Thickness:

0.032 inches

Length:

4.000 inches

Attachment Method:

Hole

End Application:

3431-01-079-8439

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Welding machine arc. Dc. Cc-cv.Gen. Ded.Base mounted date of mfr.---gross wt.---cont. No.---nsn 3431-01-079-8439 us 1st side

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
