Width:

10.000 inches

Thickness:

0.020 inches

Length:

3.560 inches

Attachment Method:

Adhesive and hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Mk48/16 fifth wheel semi-trailer specifications cold tire pressure (psi) mk16 (4x4) standard tire 16r21at2a terrain on-road---payl"partial legend"

Features Provided:

Pressure sensitive adhesive tape

Criticality Code Justification:

Aybm

Color:

Natural inscription

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
