Width:

0.656 inches

Thickness:

0.025 inches

Length:

1.625 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

1st inscription: sight, bore, opt: m45e1; 2nd inscription: serial no.; 3rd inscription: 19200-10548286; 4th inscription: us 1st side

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, h14 federal specification 1st material response or qq-a-250/2, alloy 3003, h24 federal specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
