Width:

4.750 inches

Thickness:

0.032 inches

Length:

7.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Po (+)12 volts dc battery(-) starter solenoid contacts, starter motor, starter switch (momentary) starter solenoid coil (600) w"partial legend"

1st side

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
