Width:

1.375 inches

Thickness:

0.010 inches

Length:

1.875 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Caution disable power before removing any sub-assembly

Features Provided:

Pressure sensitive adhesive tape

Color:

White inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-225/2, alloy 3003, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
