Width:

4.000 inches

Thickness:

0.030 inches

Length:

5.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Caution to lift canister from launcher, spot crane directly over forward lift point on hoist rotation bean 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
