Width:

4.000 inches

Thickness:

0.020 inches

Length:

4.940 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Caution power line filters in test set require grounding to avoid electrical shock always connect test set to a 3-wire ground"partial legend" 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Yellow inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
