**Width:**

1.390 inches

**Thickness:**

0.003 inches

**Length:**

3.250 inches

**Attachment Method:**

Adhesive

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Caution when removing or replacing aipi and a2p2 connectors on training select and launcher select switches take precaution i"partial legend" 1st side

**Features Provided:**

Pressure sensitive adhesive tape

**Criticality Code Justification:**

Abry

**Color:**

Red inscription

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
