Width:

1.688 inches

Thickness:

0.031 inches

Length:

3.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Breeze hoist assembly-main probe rated operating cap. 30lbs at 180fpm rated operating cap. 180lbs at 10fpm rated voltage ac 115/2" part legend" 1st side

Color:

Silver border

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h24 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
