Width:

3.250 inches

Thickness:

0.120 inches

Length:

1.000 inches

Attachment Method:

Hole

Design Shape:

Rectangle

Special Features:

0.192-0.199 dia. Through 3 places asindicated

Material:

Steel

Material Specification:

Qq-s-766, class 304 federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529e0
