Width:

2.500 inches

Thickness:

0.020 inches

Length:

3.000 inches

Basic Shape Style:

Rectangular

Marking Designation:

Symbol 1st side

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
