Width:

2.750 inches

Thickness:

0.025 inches

Length:

5.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Corrosion control cart jet engine mfg p/n--- serial no.--- navair dwg. No. 65a102-j1--- nsn--- cont. No.--- naval air system "partial legend" 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
