Width:

2.000 inches

Thickness:

0.020 inches

Length:

3.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Navairsyscom cross beam support assembly nwsc crane, in. Dwg 1698as200 rev mfr.---serno--- 1st side

Criticality Code Justification:

Aybm

Color:

Natural inscription

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
