Width:

0.630 inches

Thickness:

0.020 inches

Length:

3.000 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

This unit contains track while scan/gun scoring modification 1st side

Color:

White, federal standard 595, 37875 inscription background

Material:

Aluminum alloy

Material Specification:

Alloy 5052 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
