Width:

1.000 inches

Thickness:

0.025 inches

Length:

1.120 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Warning, to release air, see instruction plate

Special Features:

Warning, strut.Assy, nose landinggear, c-5 a/b acft

Color:

Red, federal standard 595, 11105 inscription background

Material:

Aluminum alloy

Material Specification:

Alloy 1100 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
