Width:

0.875 inches

Thickness:

0.020 inches

Length:

3.375 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Fuel delivery assembly part no. 53711assy5905650 stock no.---serial no.---u.S. Contract no.---

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
