Width:

1.125 inches

Thickness:

0.003 inches

Length:

1.812 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

U.S.Navy-navseasyscom system test section mk 597 mod 0 serial no.--- 1st side

Features Provided:

Pressure sensitive adhesive tape

Criticality Code Justification:

Abgl and abry

Color:

Red, federal standard 595, 21105 inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
