Width:

4.090 inches

Thickness:

0.020 inches

Length:

5.620 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Radio teletypewriter set an/grc-142---gross weight---cubage---load on skids---lbs. Per sq. In. 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
