**Width:**  
1.000 inches

**Thickness:**  
0.020 inches

**Length:**  
2.500 inches

**Attachment Method:**  
Adhesive

**Basic Shape Style:**  
Rectangular

**Marking Designation:**  
Legend 1st side

**Inscription:**  
Switch assembly sa-1830/grc serial no.---contract no.---manufactured by manufacturer's name & address 1st side

**Features Provided:**  
Pressure sensitive adhesive tape

**Criticality Code Justification:**  
Aybm

**Color:**  
Black inscription background

**Material:**  
Aluminum alloy

**Material Specification:**  
Qq-a-250/1, alloy 1100, h14 federal specification single material response

**Shelf Life:**  
N/a

**Unit Of Measure:**  
--

**Demilitarization:**  
No

**Fiig:**  
A528w0
